What is the Tribe of the High Rock? It is a special tribe that is loyal to the Great Spirit and courageous in battle, and He loves these warriors dearly. Its warriors are plentiful, found in many places all over the Earth— they are the very best trackers, the best hunters, the best fighters, the best climbers. They have tracked even the Spirit Wind in their hunt for God, and they have climbed with Him to the towering height of the High Rock. Yes, they have even climbed up the High Mountain of God, and they have made their home with Him on the High Rock. Their tribe is utterly loyal to the Great Spirit, Who is sometimes called the Spirit Wind.

The Tribe of the High Rock is greatly loved by God. Its warriors are those whom He Himself has selected from all the humans on the Earth. These are the ones who have learned

The Tribe of the High Rock has been fighting for millennia against the warriors and devils that come from the Tribe of the Pit.

We sometimes refer to these two tribes with another name, calling them the Tribe of Light and the Tribe of Darkness.

Jesus spoke of the people of God as being like a seed that is growing secretly, saying, "As for the kingdom of God, it is as if a person should cast seed into the ground; and then he sleeps, and he rises up night and day to see that the seed is springing forth and always growing up, although he knows not exactly how. The Tribe of the High Rock is the tribe of vitality and strength, full of Life. They serve the Sky Chief and His Son, so the Sky Chief has promised that they will one day spend eternity with Him in the Warriors' Paradise. These tribesmen know that they have a genuine purpose in life.

Their purpose is to praise the Creator of the heavens and Earth, to glorify Him, to sing His exploits as a Mighty Warrior. They do ritual dances in His Name, to honor Him. They think every day about the desires of Sky Chief, and they serve Him daily. They plant the fields for His glory, they reap the harvest for His glory, they live and work for His glory.

As it is frequently required of them, they often have to *fight* also in the Name of Sky Chief. But they have no fear of death, because they have already found shelter in the Rock that is higher than all parts of the land! Their village was built on the largest and strongest Rock in all the Earth. Sky Chief's Son illuminates the Great Rock of their security, and they realize that Sky Chief has a special Love for them.

Therefore the Tribe of Light is given special protection, special aid, and special abilities that make them more powerful than their enemies. The Great Spirit helps them, and sometimes the angels of Sky Chief come racing to their rescue... even when they are least expected!

worth it, because the Most High rewards all His followers, sooner or later, with the Warriors' Heaven and the New Earth, which is a Warriors' Paradise.

This is promised for all of the True Believers of God.

All it really takes is a simple but sincere little prayer—one that you should make up in your own words. The prayer for deliverance and for God's leadership should come from your own heart!

Some important elements that you should include are:

1) your desire to turn away from the wrongness or evil of your past life, and your remorse over the sins of your previous life,

2) your desire for God's forgiveness and mercy through the act of sacrifice of His Only Begotten Son (Jesus Christ),

The warriors of Sky Chief do not despair of Life, even though they have battled for many years against the Darkness of this Earth.

The warriors of Sky Chief's Enemy, however, are loyal only to the Chief of Darkness, and so they often despair of Life, knowing that their sins are many. They have committed many acts of murder and torture, and many evil atrocities.

As Sky Chief has said, "All those who hate Me love Death." So it is with His enemies. They murder again and again, and they cause torture and countless atrocities; but often they despair of their sinful ways and long for death. Many in the Tribe of Darkness die by their own hand, destroyed by the devils that are their obsession... the very beings whom they thought to be their allies.

The warriors of Sky Chief do not despair of Life, even though they have battled for many years against the Darkness of this Earth.

The warriors of Sky Chief's Enemy, however, are loyal only to the Chief of Darkness, and so they often despair of Life, knowing that their sins are many. They have committed many acts of murder and torture, and many evil atrocities.

As Sky Chief has said, "All those who hate Me love Death." So it is with His enemies. They murder again and again, and they cause torture and countless atrocities; but often they despair of their sinful ways and long for death. Many in the Tribe of Darkness die by their own hand, destroyed by the devils that are their obsession... the very beings whom they thought to be their allies.

If you will do this, you will gain a new contentment and peace as you accept God The High Father's organizational plan for the Universe . . . because you'll be letting God be the High Chief of All Things in this world . . . and in your own life.

As a new Warrior of Light, you'll be fighting for the Holy Cause of the Highest Chief, and His campaign will be a long and difficult struggle, often dangerous to life and limb. You'll be often placed in harm's way, with no shortage of enemies to battle. You will almost certainly go through a lot of pain and suffering for your devotion to the Righteous Chief. But it's all

“To be or not to be...?” That's a question that Hamlet once struggled with in a play by Shakespeare. Like some citizens of Africa and some members of the African tribes, Hamlet wasn’t sure he wanted to stay alive in such an awful world, and he thought maybe he would just make his own exit.

What that Shakespearean character didn’t quite realize is that he really could not escape his life by dying, since God had already given him— and everyone else on Earth— the gift of immortality. As a human being, Hamlet would already possess a spirit of eternal life, a life-force that would persist through all eternity. His continued existence would be already assured, just because he was a human being, and it would last for all time.

The High God Almighty, Who is the Holy and Righteous Chief of the Warriors of Light, is looking for a few good soldiers to join His army. He wants virtuous and courageous warriors on His team, those who repent of sin and declare their allegiance to Jesus Christ. These soldiers will join with Him as allies and fighters in the Cause of His Tribe... a tribe which He calls the Warriors of Light.

You can share the Light of Jesus Christ, can reflect His Holy Light in a cruel world, and you will thus become a point of illumination in the darkness of this world.

God's Light can become a Lamp unto your feet and a Light unto your path, if you choose to accept rescue and salvation that is available in Jesus Christ, the Only Begotten Son of God Almighty.

You can even live to see the Light of God flowing through you and reaching out to other people in our world...!

It's time your mind was illuminated by Jesus Christ, the Holy One Who is the Light of the World!

But Hamlet, like some despairing persons among the Native American Indian Tribes of the U.S., still wanted some way to escape the Darkness of his world.

Hamlet's behavior, after he had passed through his suicidal crisis, became rather crazy and uncertain from that point onward. He did not resort to alcohol much, apparently, nor did he depend on its use as a way to forget his troubles. But he was often guilty of erratic behavior and a sin of inaction, and he was not very successful in fighting off all the devils and demons of his environment.

Today, in this modern world of volunteer armies and conscription armies, there are many real persons who wrestle with another question, one that also concerns warfare and inaction. They grapple with the question "To join or not to join"

the military. They wonder if participation in the military of their nation might be wrong and immoral, and thus find it rather hard to make a firm decision in the matter. These folks usually feel that participation in any war should be entirely optional.

Those persons are usually unaware, however, of the fact that there has been a Spiritual War going on in all the millennia of Earth. Two tribes are at war: It is the Long War Between the Tribe of Light and the Tribe of Darkness.

This violent warfare has never yet ceased, not even for one year, and it has never yet allowed a truce of any kind. Every adult on Earth is forced to participate as a warrior on one side or the other. Every adult on Earth is a member of one of these two tribes. Why is this so? Because everyone on Earth has been forcibly conscripted (drafted at birth) into the tribal army

High Father God wants YOU to join the Salvation Warriors! Become one of the Best... be smart and join the winning team! It's the only way to come out on top in the end!

Yeah, that's right— we're the World's Finest, the Good Guys who are "the salt of the Earth." Admittedly, we fight for truth, for what's right, and for justice... just like those "square" police officers that a lot of people try to avoid!

So why do we end up thinking that we're "better" than all the rest? What makes us so special— what sets us apart from all the other evil sinners in the world?

Only the fact that we've accepted salvation through Christ, and have thus gotten forgiveness from our sins... and the fact that we've turned to Jesus Christ as a source of Light.

But that team is headed for ultimate destruction, since they will share the same fate as Chief Satan and his demons! As tribesmen of Darkness, that is their fate. They will first march over all the Earth causing a lot of damage, but ultimately they will suffer an eternal torment when they are consigned to Hell, a place of Outer Darkness where there will be only mental pain, weeping, and despair!

Hell is a place where the enemies of the Most High God will be trapped forever with their leader (Chief Satan) and endless remorse. It’s rather like a Lunatic Asylum that will imprison all the enemies of God.

The Big Question is this: Where are you going to stay when you reach that new world of further existence... that eternal lifetime which is ahead of you? Will you spend it with Father God in Heaven, or will you spend it with a chief named Satan— whom Jesus calls the Prince of this Earth— and with all his many demons and followers, in a nightmarish Hell that continues for all of eternity?

There is a war raging on our Earth, and in all the Universe, between the Tribe of God and the Tribe of Satan. Every adult on Earth has been enlisted by one side or the other, so everyone participates— whether they wish it or don’t.

They will first march over all the Earth causing a lot of damage, but ultimately they will suffer an eternal torment when they are consigned to Hell, a place of Outer Darkness where there will be only mental pain, weeping, and despair!

experience a Life After Death... a life that continues after the occurrence of bodily death.

The Big Question is this: Where are you going to stay when you reach that new world of further existence... that eternal lifetime which is ahead of you? Will you spend it with Father God in Heaven, or will you spend it with a chief named Satan— whom Jesus calls the Prince of this Earth— and with all his many demons and followers, in a nightmarish Hell that continues for all of eternity?

There is a war raging on our Earth, and in all the Universe, between the Tribe of God and the Tribe of Satan. Every adult on Earth has been enlisted by one side or the other, so everyone participates— whether they wish it or don’t.

The Lord God Almighty is looking for a few good soldiers (both men and women) to help Him in His battle against the forces of Darkness. If you repent of your evil ways and turn back to the Light (Jesus Christ, the Light of the World), He can use your service in the Great War which is currently underway on Earth. He needs more warriors, and He need new allies who have a courageous spirit like that of Joshua and Caleb!

God's Remnant is a tribe of loyal warriors that survives all the supernatural warfare of our Earth, and this group of humans will comprise a Special Harvest, a winning team that is the apple of God's eye. These warriors get an exalted

position with God and are individually chosen by Him— they are carefully picked out of the crowd by the Righteous Chief Himself.

These warriors will comprise an elite tribe that is destined for a special position under God's Developmental Program for His Universe. This is the overcoming remnant that will be victorious over our current world (which will one day be called Old Earth), and **they** are the ones whom God will use to re-populate the planet of His New Earth.

The more massive population on our current Earth is that formed by the Tribe of Darkness, who mostly adhere to the Majority Opinion. These guys serve the Chief of Devils and Darkness (Satan), whom Jesus declared to be "the Prince of
