Booklet # 14 of 14 for

God's Giant Garden And How He Repairs It

"Is This A Story About The Real World?"

This is a story about how Jesus fixes a Broken World, and how God is like a farmer who wants to get a good harvest from Earth.

It's some Good News for Sick Children!

"IS THIS A STORY ABOUT THE REAL WORLD?"

Yes, it is. It's God's own Truth about Heaven and Earth. It's about the Real World, and I want you to know that.

I was once an elementary school librarian, so I was required to read stories aloud for a lot of kids. I had to read aloud for them a lot of really silly stories that aren't even true. The school's library

contained *too many* books that were silly fairy tales and stupid nonsense, but I still had to read them aloud for kids anyway.

The schools that I worked for back then made me do that, even though I didn't really want to do it that way.

The public school system I worked for just never got smart, because they kept always thinking that little children don't

need to ever hear the Truth about our world.

You see, Jesus knows the Mind of God, and He is the only Person who ever speaks Truth about our world. Jesus is Truth, so He knows everything about Heaven and Earth.

That's why Jesus is wiser than King Solomon ever was! He's the one person

who speaks only the absolute Truth at all times.

Jesus says in the Bible that we should come to Him with all our questions, because “here is One Who is wiser than Solomon.” But the public schools think and teach that everybody else in the world is a lot smarter than Jesus.

It’s a Big Lie that the public schools have been teaching for a long time, just like the Big Lie of Evolution. It makes me want to cry when I think how the public schools are leading children all over the world into really bad thinking.

Jesus says that anyone who misleads little kids and causes children to be led away from Him is a really bad person. He

says that it would be better for that grown-up, instead, to have a giant stone hung around his neck. . . and be drowned at the bottom of the ocean.

It's really sad that the public schools of the U.S. think that the world's children only need to hear a lot of silly stories as they grow up, stories that aren't even true.

They want you to like fairy tales, and horror stories, and stories about magic. They even want all the little children to hear and read stories about witchcraft. That's something that God really HATES and calls an "abomination."

But they don't want little children to hear all the great stories about Jesus and all of

God's great heros, who show up in the Bible over and over again.

I don't want to work in the public schools of the U.S. any more, or ever again. It's because they don't want teachers or librarians to tell any TRUE stories about God's World and the way He really made things.

I got tired of seeing all the kids coming to my librarian's desk to check out books of fairy tales, and horror stories, and books about the myth of Evolution—all of which I had to check out to a lot of innocent students.

Now I pass out my own little booklets, which are a lot better, and they are all given away for free on the internet.

So now, I'm happy to say, I tell much better stories for little children, and even for grown-ups. I put them into a lot of little booklets that you can read online for free, if you have an internet connection. I call them "tracts," but that's just a fancy name for a lot of little booklets.

I really love to write and to tell little stories about Jesus and the way He made

our world. Jesus is the Door, and He's the road to Truth, because He's the Only One Who really knows the Mind of God. He's the only Holy One, the only Holy Person Who has ever lived on our planet.

Jesus is also the Only Way that grown-ups will ever be able to see Heaven and the Kingdom of God. So I hope a lot of

grown-ups will also choose to trust in Jesus, just like I do.

I want to be a little like “Johnny Appleseed,” and to go all over the world helping to plant a lot of little seeds for Jesus! I hope to help Him grow a lot of really big fruit trees for His garden.

I’m still growing up, but that’s what I’d really like to do the most!

WHY I WROTE THESE LITTLE BOOKLETS

I wrote these little booklets because my Secret Friend spoke to my heart, telling me that it was a really important and valuable thing that I must do. I wrote them especially for you, because Jesus wants you to know that He really loves you A LOT. Jesus loves all the little children in the world!

I also wrote these little booklets because I know there are millions of sick children in our world, little kids who are hurting a lot of the time. I wanted to write something special for them that might help them to feel better, booklets that would tell them about Jesus' love and about my Secret Friend, Who helps me

whenever I'm having some trouble in this Broken World of ours.

Another reason that I wrote them is this: I wanted to find some way to say thank you to three of my Christian friends (one is a medical doctor) who see a lot of sick children, because these friends are doing a lot to help me, even though I am almost 55 years old now, with my own

evangelism efforts. They are helping me to give out more of my little booklets for all the people in our world, and I really appreciate their help.

There's one more reason, too. And it's a big one. I recently got a newsletter from Pastor David Wilkerson that told me about his getting one personal letter from a really concerned mother. She wrote to

him about her sick daughter, who loves the Lord Jesus *a lot* in spite of all the physical pain that she's always feeling.

In her letter to Pastor Wilkerson, the sick girl's mother says:

“My daughter is sixteen years old. She has a physical degeneration of her muscles, ligaments, and joints, and is in extreme pain twenty-four hours a day....

“My daughter was a ballerina and was looking forward to going to Juliard School in New York City. But her dreams were shattered when she was stricken with the same disease that tormented her brother. The doctors said her pain on a scale of 1 to 10 is at 14. The amount of painkiller needed to be effective for her would

destroy her kidneys, so she can't take the medicine.

“She loves the Lord, and is a joy to be around. She is a wonderful poet whose writings have appeared in over fifteen publications, and she is listed in the *International Who's Who In Poetry.*”

I figure that if this courageous little girl can write so much beautiful poetry for

God, in spite of all the constant pain she feels, then I've got no proper excuse that could ever let me be a slacker. If she can do all that for God in spite of her pain, then I should be working a lot harder on my own little booklets. I should be trying hard to turn out a lot more of them!

So these messages are written for all of you guys, because you are not alone in

your trials. Jesus knows what you are going through, and His Holy Spirit is here to be your Comforter. This long message of Hope and Love, filling up quite a few little booklets, has now been written down for all the millions of sick little children in our world who really need to hear it!

I hope you agree that these are really neat stories about Jesus' special love for

all the sick children in our world, because the booklets tell you about how Jesus is fighting against His old Enemy, Satan... and they also tell you how Jesus will fix everything.

You may be a little tired of listening to all my stories by now, but guess what? I'm not really through writing them yet,

because I'm still trying to reach a lot of people for Jesus.

I plan to write a lot more of these little booklets about Jesus, especially for older kids and teenagers and grown-ups, because it's...

NOT THE END!

ABOUT OUR OTHER LITTLE BOOKLETS

If you liked this story booklet, you might also like to have your mom or dad or grandparent, or any other friend who cares a lot about you, read for you the stories from some of my other little booklets.

On our web sites I have three or four series of these little booklets that older children, in particular, might like. There is one series of stories that are partly about the Native American Indians, for example, and another that is partly about the tribesmen of Africa. There is one series of little booklets that is partly about my own youthful travels in South Asia, a time when I spent several months visiting Nepal, India, and Sri Lanka.

There's also a series of little booklets called "Godly Warfare" or "Higher Battles" or "The Highest Service," which is all about Christian soldiers and how they can fight against the forces of Darkness. Those are mostly for teenagers and older folks, but I hope they can bless a lot of little children too, as they go through life, and as they keep on growing up.

All of my little booklets are partly about other stuff, but they are all mostly about Jesus and my Secret Friend.

NOT THE END NOTES!

These little booklets were all written for you by Ken Street, a Christian believer of the great Lord Jesus, and by his Secret Friend. I'm a baptized follower of the Way of Jesus, and my Secret Friend was even there at the baptism of Jesus Christ!

Jesus said, "Let the little children come to Me, and don't try to stop them, because the Kingdom of Heaven is made of such as they."

– Taken from the book of Matthew [19:14], written by a devoted follower of Jesus who was an eyewitness to the resurrection of Jesus.. After

the torture of the cross, Jesus came back to life again! Matthew then saw Jesus many more times in His glorified new Resurrection Body, along with crowds of up to 500 people. This continued for a period of 40 days after the Resurrection, as Jesus often returned to visit with them !

Jesus said, "If anyone is tired and weary, struggling with heavy burdens on his back, let him come to Me, and I will give him rest."

– Taken from the book of Matthew [11:28].

Jesus said to grown-ups, "Truly I tell you, unless you are converted and become like little children, you cannot see the Kingdom of Heaven."

– *Taken from the book of Matthew [18:3].*

That means your parents and other adults need to have childlike innocence and trusting hearts, so that they can see Heaven and someday live there with God for all of their eternal lifetimes. So please

remember to pray for all of the adults around you, because sometimes the worries and troubles of this world make them forget to trust in Jesus.

The Bible says that the whole Universe was made through God The Son, but that God's Enemy—the Devil—messed it all up. It was a perfect world at first, and Jesus wants it to be that way again.

That's why Jesus came to Earth as the Son of God and sometimes called Himself "the Son of Man." He was willing to lay down His life for His friends, just so He could start to get everything fixed for us.

Jesus is still busy, even now, working hard to get everything fixed and completely right again. It all gets fixed completely on some day that is still ahead

of us, when Jesus comes back down to Earth again.

That happens in the future, when Jesus comes down from the sky and takes total control of the Earth. Then the whole world gets a lot happier and a lot brighter, because then He becomes the Divine King of all the Earth!

It's important for all of us to remember, as we pray and seek God's will, these simple facts:

- 1) **WE SPEAK TO GOD** by our prayers.
- 2) **GOD SPEAKS TO US** by the words of Holy Scripture.
- 3) **TO HEAR GOD SPEAK TO US**, we must listen to His words and read His Book just as often as we possibly can !

God wants to bless you for all your long efforts to understand this very confusing and difficult Universe in which we live— so let Him reward your struggle with the grace of His peace and the strength you need to keep going !

God is continuously harvesting the Earth... as His long-range plan for the Earth's transformation goes ever forward. And He plans a special spot for you in the New Garden World that is yet to come...!
